

Dear FCC,

I am writing out of concern for the future of FM radio because of the LPFM. I am a resident of Phoenix, AZ where I listen to K-LOVE radio exclusively. In addition, I am a financial supporter of K-LOVE because of the tremendously positive impact it has on my community as well as my family. It is in the best public interest to keep K-LOVE on the air as it promotes positive family-friendly and community-service programming. It is very important to me and my family to keep this wonderful Christian radio station on the air.

Thank you for your attention.
